Dear Ms. Diana,

I appreciate your phoning to tell me Peter will be away.

If I'd not heard from him for a while I'd have become apprehensive.

Enclosed is what I believe is all the remaining pictures.

Along with a suggestion for a slight addition or note, on my telling the FBI agent who did the photographic dirty-work for it off.

Not only for that, for plenty more.

And I've not heard from him since.

Sincerely,

Harold Weisberg.
